April 2009

A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am pleased to congratulate the Canadian Foundation for Asian Culture (Central Ontario) on the launch of the Virtual Museum of Asian Canadian Cultural Heritage.

Ontario's strength lies in its diversity: by embracing every culture, Ontarians have created an inclusive, dynamic and prosperous society. Together, through the hard work and collective efforts of the many groups that call this province home, we have built a quality of life that is second to none.

Through the power of the Internet, the virtual museum will give Ontarians from all backgrounds an invaluable opportunity: to learn about the rich history, traditions and customs of Canadians of Asian descent. I applaud everyone involved with this worthy endeavour.

Please accept my best wishes for much success as you launch this new and informative website.
